

## Starting a Conversation

### Do I have the authority to do this?

In Genesis 1:28, the word dominion means “to rule, have dominion, dominate, and tread down.” God has given us authority over the power of the enemy, not people. Our God given authority is released by declarations and corresponding actions (prophetic acts). You see this when Jesus told his disciples to declare the kingdom of God is at hand. Then they had the power and authority to heal, deliver, and set people free from all the enemy’s traps.

When we declare God’s word it released kingdom seeds into the atmosphere. This opens the door for God’s hope and answers. Others, who are ready, can step into this reality and be set free.

### Sample Prayer

Father God,

Thank you that Jesus opened all the resources of heaven for us. I am standing in the gap for \_\_\_\_\_ to \_\_\_\_\_ (be healed, salvation, finances, peace, know God, freedom, etc.). Remove any trauma from what they have experienced. We bind all the enemy’s lies and ask that you forgive us for all the mistakes we have made. We invite the Holy Spirit to bring \_\_\_\_\_ (healing, peace, open supply lines, reveal Jesus, etc.) to \_\_\_\_\_ (my friend, name, etc.). Thank you, Lord for hearing us and bringing your kingdom on earth as it is in heaven!

May God grant you wisdom and boldness as you step out and plant  
God’s kingdom seeds in other people’s lives.
